

# Molo Street Children Project

Newsletter Number 23

March 2013

"I tell you the truth, whatsoever you did for the least of these... you did to me" Matt 25:40

*A Blessed Easter to you all*

I pray that we may all truly know the Power and closeness of the resurrected Christ This Easter Season.

If ever we have needed to see Christ's Power at work this is the time.

Our Challenges are great and we need to remind ourselves often that we are on the side of victory! **Greater is He that is in us than he that is in the world (1 John 4v4)!**

## We thank God

- For the Peaceful Elections in Kenya... Truly God heard and answered our prayers! Pray for Peace to continue after the court ruling on disputes to come.
- That 3 of the 4 students who took the secondary school certificate exam have passed with grades which qualify them for a place in a Government University!
- For the 4 children featured in our last newsletter who have now returned to their mother. There is still a long way to go so do continue to pray.
- For your continued support, in Prayer, and finances and moral support.
- We are thankful for the many people that Chris spoke to on his recent trip to Molo - for those people who

**Grace, Pascal, Sophia & Judy**

made donations and those who promised help in the future. We are working to increase the sustainability of the Project by generating income from within Kenya. We are doing this by increasing the amount of farming we do, by renting a larger area of land. The way things work in Kenya, the capital must be paid at the beginning of a contract, even if the rental term is 5 or 10

- years. Chris is attempting to raise this capital.
- We are thankful for the replacement of the cow given to us by Pat & Graham. It is being cared for by Bishop Karanja and is providing us with our daily ration of milk for the children.

## Pray for

- Funds to employ a Manager
- Funding for University students
- Funding to support children in their Homes
- People with a heart and a passion to uphold the rights of Children in Molo
- Direction and wisdom as we plan the 10<sup>th</sup> Anniversary celebrations in September

The last few weeks since the elections have been heart breaking and hard work. Many children had left school and returned to the streets. Thanks to the hard work of Beatrice and other staff they were able to mobilize the authorities and this week 14 children had returned to school. The work continues to return the others.

**We really need your help!**

**Is God calling you to come and work with us?**

**Come and see what we do, join a Short-term Summer Team!**

Thank you for your continued support. Without it we would not have come this far.
